

HELP US BUILD A BETTER BEAL!!

Playgrounds encourage children to enjoy the outdoors in fun and challenging ways. The Beal Early Childhood Center needs a new playground. You can be a part of this special project. Since the town does not fund playground equipment, the Beal PTO is committed to raising funds to make playground improvements. We would like to purchase safe, developmentally appropriate equipment for all Beal students to enjoy. The estimated cost of the project is \$25,000, and you can help us "Build A Better Beal". Below is a form, which gives you a variety of ways you can support our project. Please add your family's name to the list of contributors. For more information about our project, visit the Beal School website at: www.ci.shrewsbury.ma.us/Sps/Schools/Beal/index.html.
